Notes:

End of Year Questionnaire

What units should we cover next year for

science

history

What subjects should we bring in more regularly?

How can we improve our homeschool routine?

What part of the homeschool room/area should be reorganized?

What needs to be sorted and filed?

What homeschool supplies do we need? (Put a * next to the ones to get during the new school-year sales.)

Did the kids make strides towards becoming independent learners this year? In what ways?

How can we make our homeschool more student directed? How can I help the kids become independent learners?

One thing that went really well and that I'd like to repeat next year is

Field trips we should take next year

Family relationships: Some things we can do to make our family unit stronger

We should try not to spend so much time

Summer Activities: Some activities we've been saving to do this summer

Evaluating myself:

My strong suit this year was

I need to work on

Next year I'd like to

The hardest thing about homeschooling is

The best thing about homeschooling is

Evaluating the student:

Where did he/she make the most progress?

What areas does he/she need to work on?

What is he/she *really* interested in? Can we incorporate that into our homeschool? as an extracurricular activity?
