Each player needs their own set of tokens.

To Play:

1. The first player draws a division card. She determines the answer and places a token on the heart.
2. If another player has a token on the heart, the player can bump the other player's token off and replace it with her own token.
3. When a player has two tokens on a heart, she has won that heart.
4. The player who has the most hearts at the end of the game wins.
