## Grammar: Use of Quotation Marks; Said/Asked

Add quotation marks and commas where they are needed. Then go through the story and substitute a different word for said or asked.

Good night said Mom. Good night I said. Suddenly, I heard a noise. What was that I asked. I don't know said Mom. We both went out into the living room. I hear that noise again I said. Yes, so do I said Mom. I think it is coming from the porch. We tiptoed over to the window. What do you think it was I asked. It sounded like a scream said Mom but I think it was some kind of animal. Let's turn on the light I said. Mom flipped on the light. I saw it. It wasn't a monster. Mom, I think it's a dog I said. No wait said Mom don't you see the puffy tail? That must be... A fox! I said It sure made a weird sound. What does the fox say asked Mom. I laughed and said Wa-pa-pa-pa-pa-pow! Mom laughed and said Hatee-hatee-ho!
