

# WORD FAMILY FILE FOLDER GAME

MADE BY LIESL

AT

**homeschoolden.com**

Print out the following pages and laminate if desired. Cut out the colored eggs. Glue the -at -it -ot mat to the outside of a file folder. Glue the baskets to the inside of a file folder. Mix the cards up and place them face down.

**Activity 1:** Using the -at -it -ot mat, have the child read the word aloud and place it in the correct word family.

**Activity 2:** Using the eggs and baskets, have the child match the eggs with the baskets.
