

# CREATIVE THINKING QUESTIONS

Name a type of pet and give a reason that a parent wouldn't let you have it:

List different ways you could get from the grocery store back home, other than by car! Be creative!

Imagine you are stranded in the Arctic and you find a magic lamp. The genie offers you only one wish, but with a couple of stipulations. First, you can't wish for more wishes. And second, the genie cannot transport you anywhere. What would you wish for and why?

Start with the word brick. Think of a word that begins with the last letter in that word. Then, use the last letter of the next word to start a new word. For example, brick-king-goat... How many words can you come up with? Stop if you get to 15 words and go on to the next question!

Name things that only go one way:

Name as many uses for a shoe as you can:

Name things you can do with one hand:

Come up with five materials and what that material makes: Example: sand makes glass

List as many words as you can that contain the word "ant." Example: plant

List as many countries as you can that begin with the letter A.

List as many states as you can that begin with the letter O.
