Make 10

Make 5, Make 10 Cards

Print 2 or 3 copies of the following pages out on card stock. Cut them out. (Laminate if desired.)

Make 5: Use the numbers 0 through 5 to make a "Make 5" card game. Lay all the cards face down. Players take turns trying to find cards that add up to 5. Each player can turn over two cards per turn. If a match is made, that player can take another turn. Once all of the cards are matched up, the game is over.

Make 10: Use the numbers 0 through 10. Lay all the cards face down. Players take turns trying to find cards that add up to 10. Each player can turn over two cards per turn. If a match is made, that player can take another turn.
