These maps are available to print in portrait (pages 2-4) or landscape (pages 7-9).

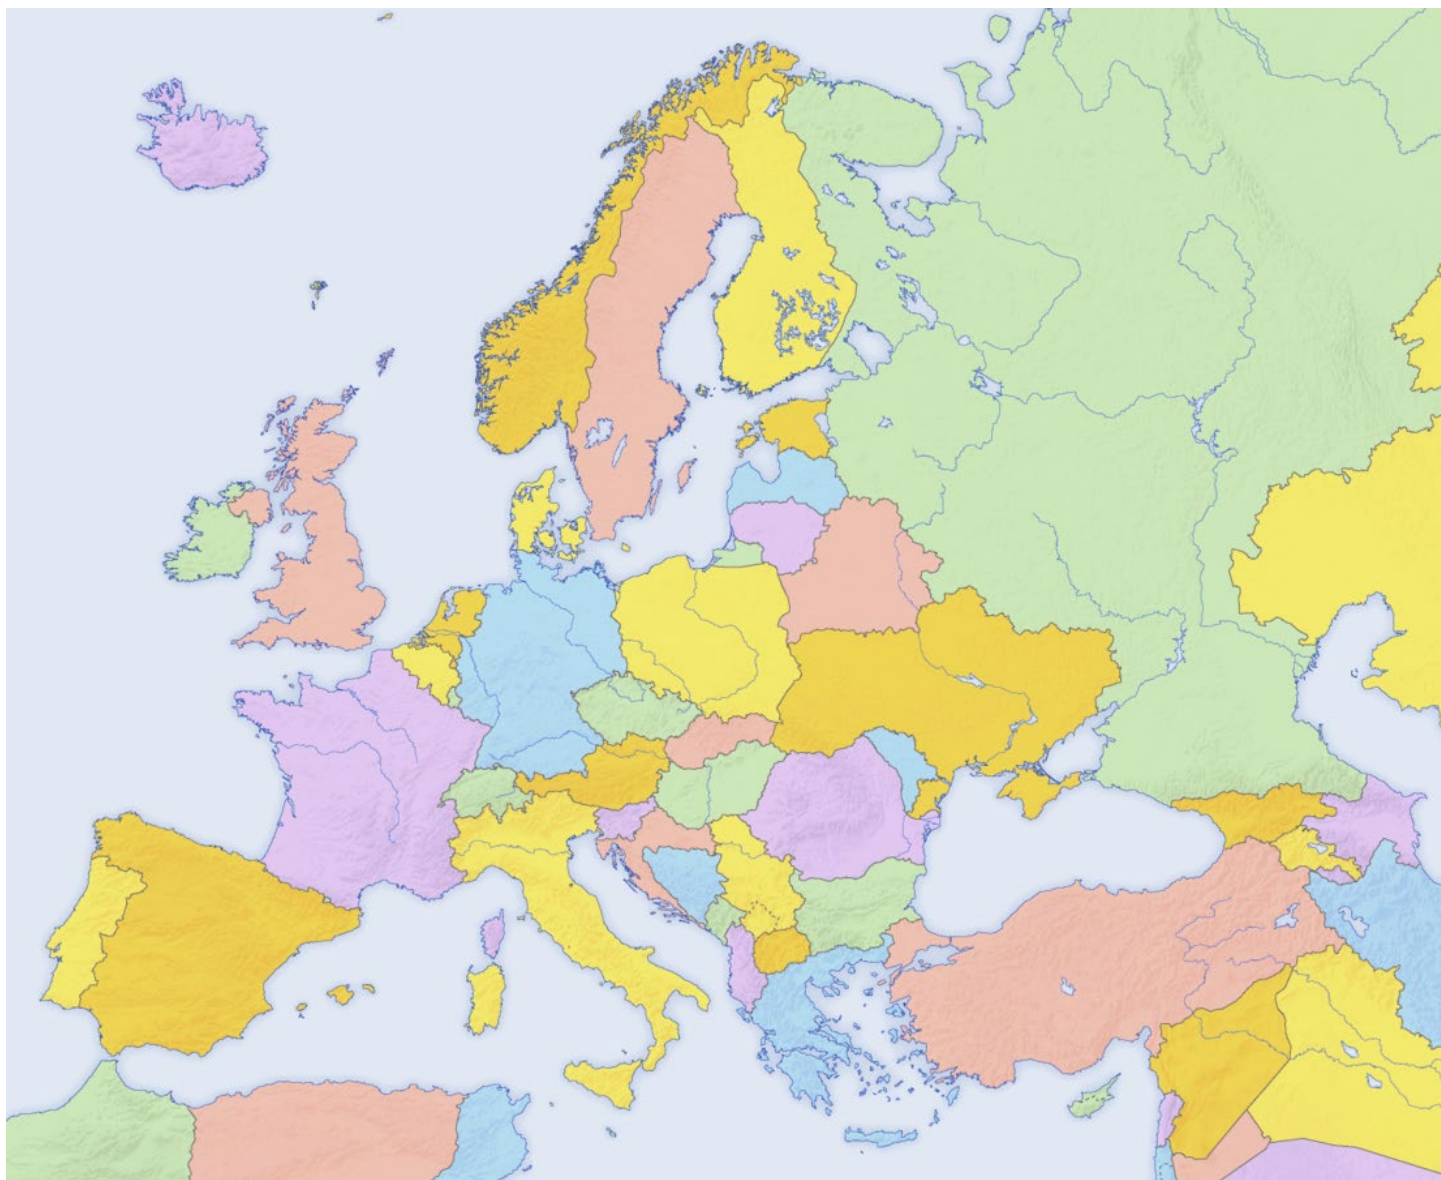

Feel free to make as many copies as you need for your kids or the students in your classroom.

This file may not be uploaded to any file sharing website.

# Countries of Europe

# Countries of Europe

# Countries of Europe

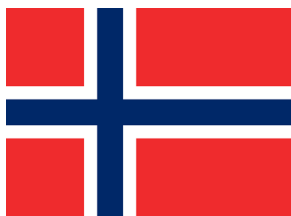

We used the maps and flags to make a pin map of Europe. I would have the kids place 8 or 10 country flags each day as we learned and reviewed the countries of Europe.

We made our pin map by laminating the map of Europe. I stacked it on top of several foam sheets with a thick piece of cardboard at the bottom of the stack. I used clear packing tape to keep the pin map firmly together.

Sweden

Norway

Finland

Austria

Germany

Denmark

Ireland

Liechtenstein

Britain

Belgium

the Netherlands

Luxembourg

Portugal

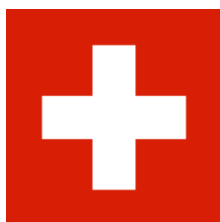

Spain

France

Andorra

Switzerland

Monaco

Italy

Greece

Czech Republic

**Middle Ages Packet**  
**Feudalism Simulation and Activities,**  
**Middle Ages Chronology Cards,**  
**Middle Ages Notebook Pages**  
**and More!**

The collage includes various educational materials for the Middle Ages, such as:

- Middle Ages Packet**: A central title card.
- Feudalism Simulation and Activities**: A section with a pyramid diagram and text.
- Middle Ages Chronology Cards**: A set of cards showing historical events.
- Middle Ages Notebook Pages**: Several pages with text and illustrations.
- More!**: A collection of additional resources, including a 'The Middle Ages' page, a 'Feudalism' page, and various other cards and pages.

Cut out the figures below and glue them onto the Feudal System chart.

The image displays a collection of educational materials for a Middle Ages event. At the top, there are three worksheets titled 'Notes on the Early Middle Ages' and 'Notes on the High Middle Ages', each featuring a grid of small illustrations and text. Below these, there are several cards with various topics: 'The Middle Ages', 'Early Middle Ages', 'High Middle Ages', 'Late Middle Ages', 'Crusades', 'Hundred Year's War', 'Knights Templar', 'Magna Carta', 'Black Plague', 'Feudal System', 'Monks & Nuns', 'Castles were built', 'Pilgrimages', 'Silk Road', 'Printing Press', 'Byzantine Empire', 'Charlesagne was emperor', 'People rarely travel far', 'Battle of Hattin', 'Knights: Begin using suits of armor with strong plates of metal', 'King John of England signed the Magna Carta giving English people more legal rights', 'The 14th century was a time of trouble for Europe. The Black Plague killed millions of people', 'The 15th century was a time of change. The printing press was invented', 'The 16th century was a time of change. The Reformation was started', 'The 17th century was a time of change. The English Civil War was fought', 'The 18th century was a time of change. The Industrial Revolution started', 'The 19th century was a time of change. The American Civil War was fought', 'The 20th century was a time of change. World War I and World War II were fought', 'The 21st century is a time of change. The 9/11 attacks and the 2008 financial crisis were major events', 'The future is uncertain, but we can prepare for it by learning about history and the world around us'. A large red banner in the center reads 'Middle Ages Event Cards! with teacher notes included!'. The cards are decorated with various illustrations, including maps, portraits, and scenes from the Middle Ages.
