Each set has a matching page, a word hunt, matching cards (penguin to snowflake), and fishing for words cards.

For the fishing activity, cut out the fish and word. Place a paper clip on each of the fish. Make a "fishing pole" with a ruler, yarn and magnet. Once the kids catch a fish, have them read the word aloud and place it on the penguin mat.

Fishing Activity: Here is a similar activity I made with butterflies, just so you get the idea! :)
The [butterfly printable](#) is free here at this post:

The worksheets and activities on pages 9 to 13 are words that go along with [Bob Books Set 1](#), (*affiliate link*), though it is not necessary to use those readers. 😊
