Holiday Writing Prompt Ideas

If you could do one thing to make the world a better place this year, what would it be?

What is your favorite (and/or least favorite) thing about this time of year?

The thing I look forward to most in December is...

Write an adventure story about Santa on Christmas eve.

Write a story about the lost Christmas bell...

Write a story about surviving... a blizzard or an accident on an icy pond...

The best present I ever received was...

Write a story about Santa's elves.

Everyone knows the story of Rudolph. Write a story about one of the other reindeer that lives in the North Pole.

Write a story about the day after Christmas in the North Pole.

Write a story about the year that aliens arrived on Christmas.

Write a story about the puppy that just wanted a new home for Christmas.

The year Santa ate too many Christmas cookies...

Write a story about three toys that come to life.

Write a story about the winter that candy canes started growing from the ground.

Your closet door magically opens to the North Pole...

When Santa died...

Write a Christmas poem.

Write a Christmas acrostic.

Write a winter poem.

Write a story about a gingerbread man (or woman)!

Cut out a paper snowflake. Write as many adjectives about winter as you can think of all over your paper snowflake.

What is your favorite Christmas story or movie? Write your own version!

A series of horizontal lines for writing, consisting of 25 lines in total. The first three lines are positioned to the left of the bell icon, and the remaining 22 lines extend across the width of the page.

Handwriting practice lines consisting of multiple horizontal lines across the page.

A series of horizontal lines for writing, consisting of 20 lines in total. The lines are evenly spaced and extend across the width of the page.

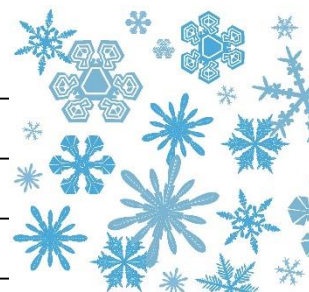

The Year There Was No Christmas

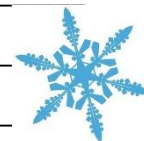

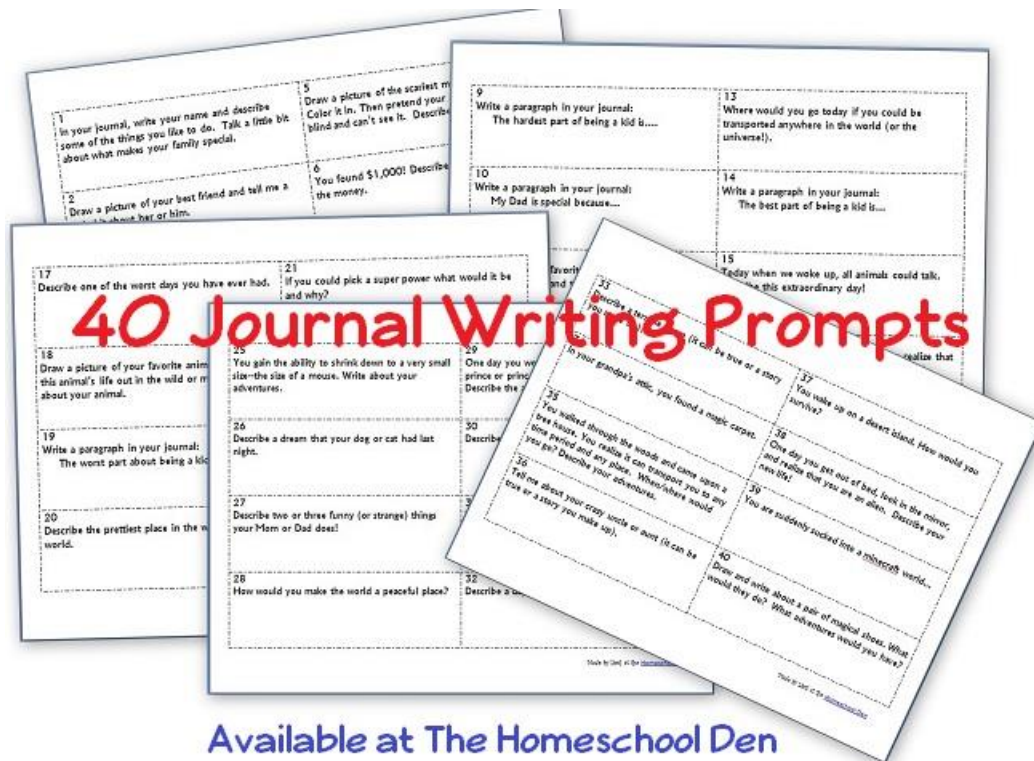

Handwriting practice lines consisting of multiple horizontal lines across the page.

Age of Exploration Packet

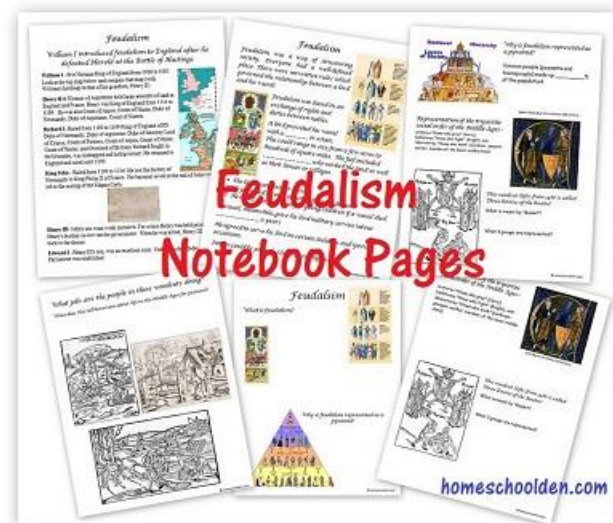

Causes and Events Leading the American Revolution Unit

Slavery and the Civil War Unit

Feudalism Packet

Middle Ages Unit

Feudalism Activities

Feudalism Simulation Activity

Draw cards and see what your fate is.

Will you survive the Middle Ages?!!!

The "king" sat at the top of the hill in his castle. If you drew certain cards you had to run up the hill to serve the king. To the right, peasants are "working" hard in the fields.

Learning the Multiplication Facts: As my daughter moved into learning her multiplication facts I looked around for the kind of multiplication practice that would help her. The math book she was using went through the math facts a bit too quickly for her. She needed quite a bit of repetition and wanted bright, colorful worksheets. I wound up making my own sets of practice pages and games. She loved that! Be sure to check out our Multiplication Bundle here at this post: [Learning the Multiplication Tables 2s thru 9s](#) (or see the purchase link to buy our bundle of 12 pdfs in [Our Store](#)) Here are some sample pictures:

There are actually more than 175 pages... I keep adding to the bundle! ☺

What order did my daughter learn her math facts? 2s, 5s, 10s, 3s, 6s and 7s (because those skip counting songs were easy for her!), 4s, 9s, 8s.

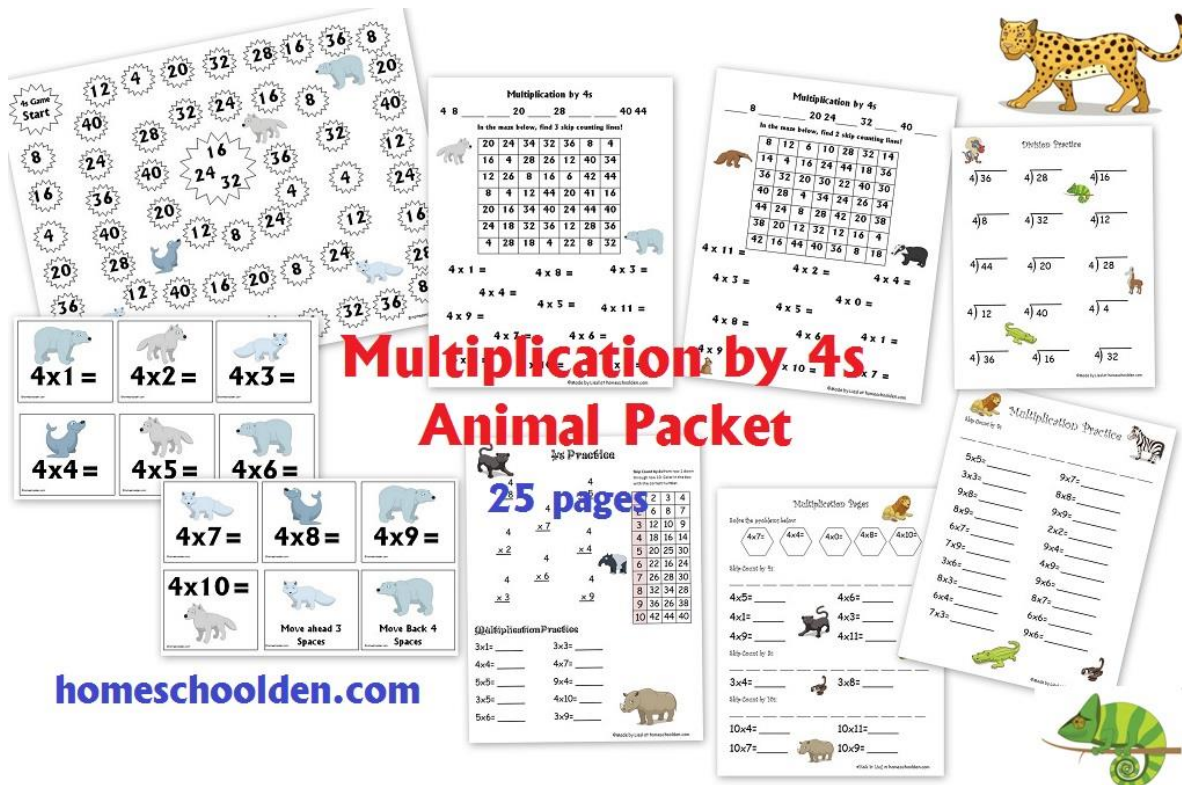

**Multiplication by 3s
File Folder Game**

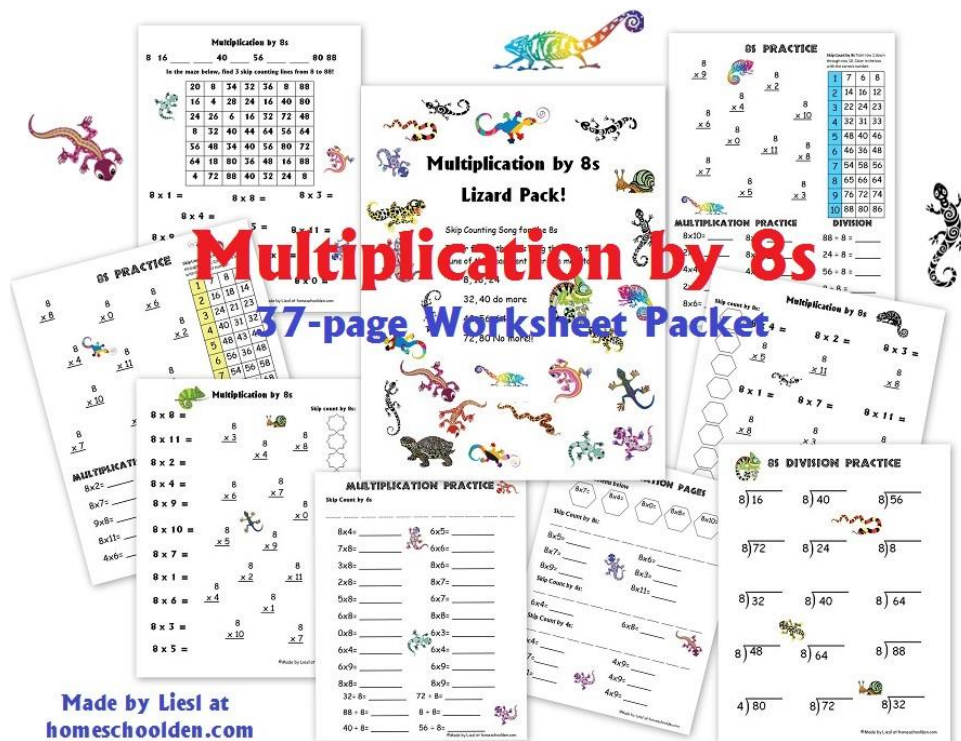

homeschoolden.com

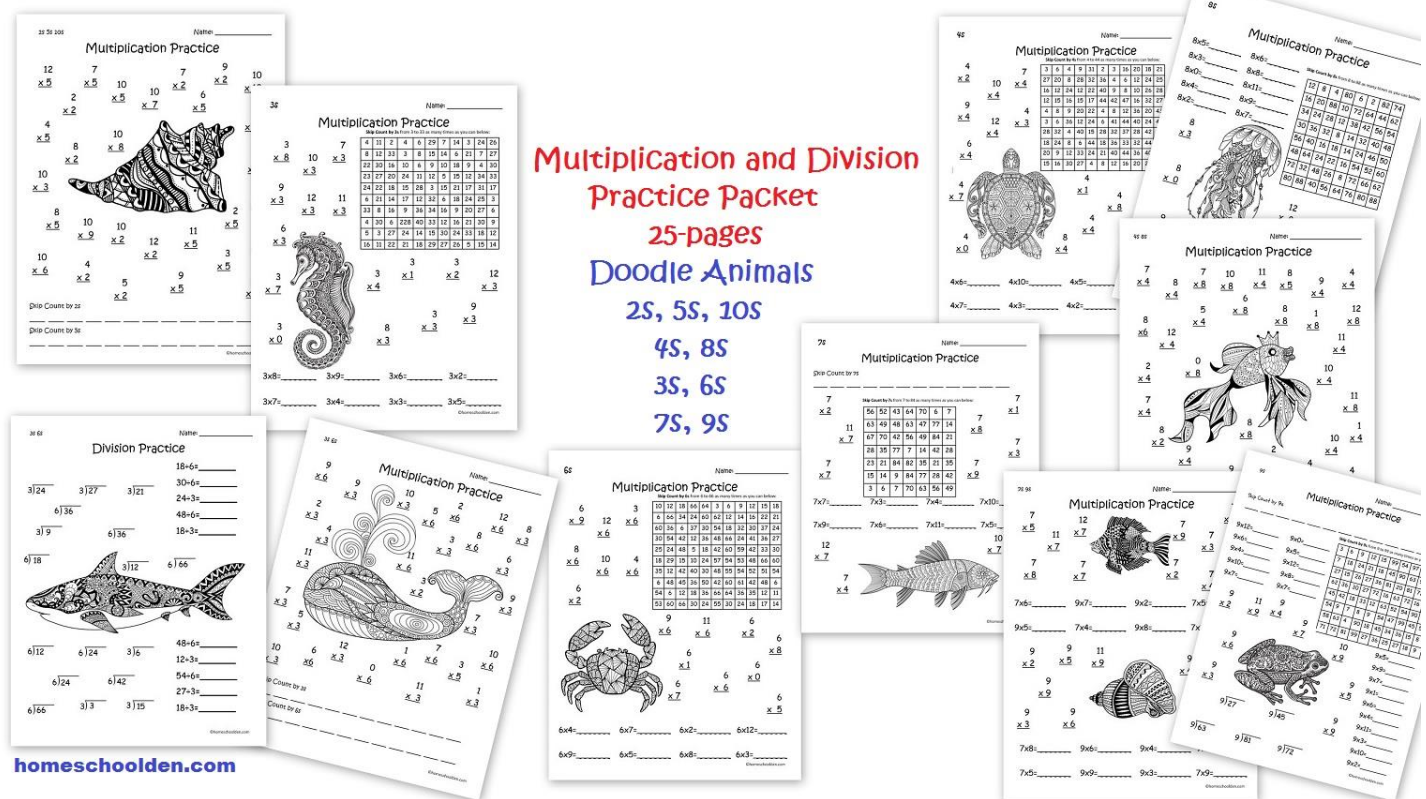

Here are some of the 4s pages:

And, here are some of the 8s.

Here is a glimpse of the Doodle Animal Multiplication Review Packet that is included in the [Multiplication bundle](#):
