German Bundle 3

The packets in the **German Bundle 3** set include:

- Tiere (Animals)
- der Ozean Unterwasserleben (The Ocean Marine Life)
- Körperteile (Body Parts)
- Berufe (Jobs)
- In der Stadt (Directions, Transportation, Buildings)
- Werkzeuge Tools

As you look through the packet, you'll notice that the first section has cartoon-type animals. If you have older students, you may want to use the more realistic looking animals (starting on page 11).

At a different point in the year, we went over animals of the forest. We just did a little review and then the kids wrote their own sentences. I gave different pages to each of the kids and then they shared their sentences with each other. Those pages start on page. 27.
