

End of Year Questionnaire

What was your best homeschool memory this year?

What was your favorite project or activity?

What was your favorite unit?

What was the funniest moment from this year?

What was your lowest homeschool moment? Did it get better?

What surprised you about this year?

What do you think will be hard about next year?

What are you looking forward to about next year?

What should we change?

What should we keep the same?

What are four or five things we should do daily?

What are two or three things we should only do once a week?

I want to try....

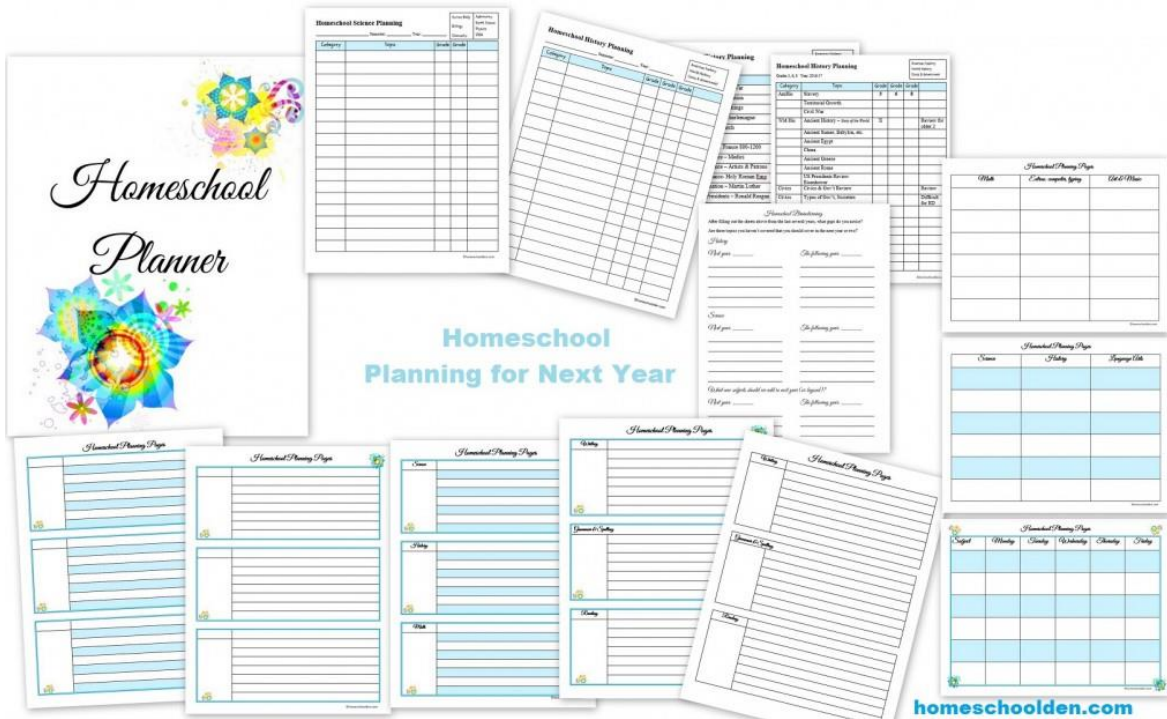

How can I help the family more?

What do I like about homeschooling?

What do I dislike and/or want to change about homeschooling?

Free Homeschool Planner and Discovery Journal

How do I know what science or history topics/units to cover?

I have a general checklist of topics I hope to cover K-8 that I shared on the blog some years back. These are FREE resources:

[Free Science Checklist for Elementary and Middle School](#)

Science in the Elementary and Middle School Years Homeschool Checklist

homeschoolden.com

[Homeschool History Checklist](#)

homeschoolden.com

[Language Arts Homeschool Checklist](#)

homeschoolden.com

[Foreign Language: Topics for Beginning Language Learners](#) This is a list of some of the basic topics/units you would probably cover no matter which foreign language your kids learn.

Creating Your Own Homeschool Curriculum: These are some resources I made that might be helpful as you create your own homeschool plans. These are somewhere between 30 and 50 pages and are FREE to download:

[Creating a Homeschool Curriculum: Kindergarten – Grade 1 \(ages 5-7\)](#)

[Creating Your Homeschool Curriculum: Grades 2-3, Resource Guide \(ages 7-9\)](#)

Creating Your Homeschool Curriculum Grade 4-5 — Resource Guide (ages 9-11)

Creating a Homeschool Curriculum for Grades 6-8 – Free Resource Guide (ages 11-14 or so)

These are just some of the packets we have available!

175+ Page Earth Science Unit

Layers of the Earth - *Geology, Rocks, and Earth*

Fold Mountain Activity

Earth Science: Learning about Earthquake Vibrations

I created a FREE [Homeschool Science Unit Checklist for Elementary and Middle School](#) that I think about as we move from unit to unit. I have a general goal of what I'd like for the kids to have covered K to 8, but we're also flexible and go off on tangents when it's warranted! It many of the units we hope to cover in elementary and middle school.

Science in the Elementary and Middle School Years Homeschool Checklist

Science in the Elementary and Middle School Years Checklist:
This is a list of some of the science units and topics we'll cover in elementary and middle school. We will return to these topics more than once, each time going into more depth. We spend as much time as needed (and write about) them. I know we'll cover the topics again in a few years.

The Human Body	
Cells	
Tissues	
Nervous System	
Systems: Circulatory and Interoceptive Systems (skin, etc.)	
Circulatory and Respiratory Systems	
Digestive and Excretory Systems	
Endocrine and Reproductive Systems	
Immune System and Disease	
Biology	
Plant and Animal Cells	
Cell Structure and Function	
Cell Function (chemical reactions inside cells)	
Cell Division	
DNA, RNA, Genetics	
Life Cycle and Reproduction	
Plants	
Growth	
Photosynthesis	
Growth	
Animals	
List on animal adaptations: animal behavior, animal biology, animal characteristics, migrate, camouflage, hibernate and their young, vertebrates/invertebrates, habitats, compare/contrast, conservation - protect vs. endangered animals. (This is a curriculum from the summer we were preschool years (ages 4-6) - and there is a separate checklist for that!)	
Classification: taxonomic	
Anatomy: skeleton, class, order, family, genus, species	
Outgoing names	
Genus names	
Levels of organization	
Biosphere, ecosystems (biotic), community, population, organism, groups of individuals	
Microorganisms - bacteria, viruses, protists, fungi	
Biomimicry (biomimicry)	
Ecology - interdependence of organisms and their environment, food chain	
Population Dynamics	
Animal anatomy and physiology	
Chemistry	
Atomic Structure	
Acids & Bases	
Atomic structure - periodic table	

Chemical reactions: chemical bonds, chemical reactions	
Mixtures - Solutions	
Solubility	
Organic Chemistry - chemistry of carbon	
Astronomy	
Solar System	
Inner and outer planets, asteroid belt	
Moon	
Gravity	
Kinds of stars	
Galaxies	
Earth Science	
Geology - history of the Earth	
erosion Earth - weather	
Rocks & Minerals - sedimentary, metamorphic, igneous rocks	
Earth systems (atmosphere, hydrosphere, biosphere, geosphere)	
Climate	
Earth's Magnetism	
Earth's movement - changes to Earth's surface	
plate movement	
what changes landforms	
what causes tsunamis, volcanoes, earthquakes	
how has Earth's surface changed?	
Weather	
Winds	
Freshwater	
Underground water	
Oceans, Tides	
Cycles	
Water Cycle	
Oxygen Cycle	
Nitrogen Cycle	
Carbon Cycle	
Water Cycle	
Phosphorus Cycle	
Rock Cycle	
Physics	
Simple Machines	
Sound, force, energy, motion, power, heat, heat transfer, conduction, convection, radiation	
Light and optics	
Electricity	
Sound - vibration, waves, speed, frequency, wavelength, amplitude

Science Units:
(Scroll down below for larger images and descriptions of each unit.)

- \$4.00 Earth Science Unit**
- \$3.50 Simple Machines Unit**
- \$4.00 States of Matter Packet** (see bundle option)
- \$4.00 Physical and Chemical Properties of Matter Unit** (see bundle option)
History: Elements, Compounds, Mixtures; Organization of the Periodic Table; Molecular vs. Structural Formulas; Describing Matter: Physical and Chemical Properties; Density; Atoms - Mass/Volume; Mixtures: Solutions, Colloids and Suspensions
- \$6.00 BUNDLE OPTION: States of Matter Packet and Properties of Matter Packet**
- \$3.00 A Study of Cells Unit**
- \$2.00 Human Body Systems**
- \$1.00 Skeleton Worksheet Packet**
- \$4.00 Digestive System**
- \$4.75 Circulatory System Unit**
- \$4.00 Animal Unit**
- \$2.00 World Animal Cards**

History Units:
(Scroll down below for larger images and descriptions of each unit.)

- \$3.00 World Facts Packet** - Do your kids know the 4 largest countries? Which countries have the most people? The longest river? This packet covers basic world and U.S. facts. We often started out the semester with a review of this material. 🌍
- \$4.00 Civics and Government Packet**
- \$2.00 Feudalism Packet**
- \$3.00 Age of Exploration Packet**
Coming Soon: Renaissance and Reformation Packet
- \$6.00 Causes of the American Revolution Packet** (and American Revolution play)
- \$4.00 Slavery and the Civil War** (75 pages - slavery, U.S. territorial expansion, the Civil War)

[View Cart](#)

Again, if you are interested in joining our [Homeschool Den Newsletter](#), feel free to subscribe here. It's a great way to hear about our latest packets and to learn about many of the hundreds of printables & other materials we have tucked away on the blog!

Hope you find something useful at our website.

Happy homeschooling!

~Liesl
