Monster Creative Writing Packet

Name: _____

Describe the Monsters

Write about the monsters below. Come up with as many descriptive words as you can for each monster!

Name: _____

Quick Activity: Monster Details

Have everyone write a description of a monster and create a matching drawing. Use a lot of descriptive details.

One by one, have the students read their descriptions aloud. The other students must draw their own versions of this monster. Compare the original drawing to the drawings the other students made. How close were they?

Name: _____

Your Monster's Story

Write a story with your monster as the main character!

Name: _____

Create your Monster

Using all of your ideas, create a monster with all the qualities and features that you came up with. Include its home or habitat in the background. Color your monster!

Name: _____

Design your Monster

Write a description of your monster. For example, how many eyes, arms, legs will it have? Will it have a nose or mouth? Will it have wings? scales? feathers? antennae? spines? a tail? Will it be tall or short? What color will it be? Does it smell?

Create a quick sketch of your monster:

Name: _____

Your Monster's Life

What does your monster eat? How often does it eat?

What kind of home does your monster live in? Does it live in a house? apartment? in a cave or tree? a forest? rainforest? desert?

Does your monster have friends? If so describe them.

What does your monster do for fun?
