These are just some of the packets we have available! homeschoolden.com/store

175+ Page Earth Science Unit

Topics include: Layers of the Earth, Volcanoes, Earthquake Waves, Fold Mountain Activity, Earth Science: Learning about Earthquake Vibrations.

homeschoolden.com

Earth Science Unit

150+ page packet

Topics include: Layers of the Earth, Earth and the Solar System, Planets, Plate Tectonics, Earthquakes, Mountain Building, Volcanoes.

homeschoolden.com

Earth Science: Learning about Earthquake Vibrations

Earthquake Waves Activities

Topics include: Earth Science Packet Worksheets, Lesson Plans.

150+ Earth Science Unit

homeschoolden.com

FREE

Solar System to Scale Activity

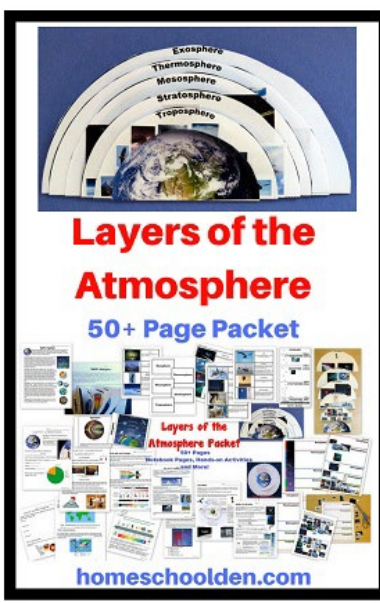

Solar System Unit Worksheets & Activities

Topics include: Planets of the Solar System, Free Worksheet Packet.

Free 25-Page Unit

homeschoolden.com

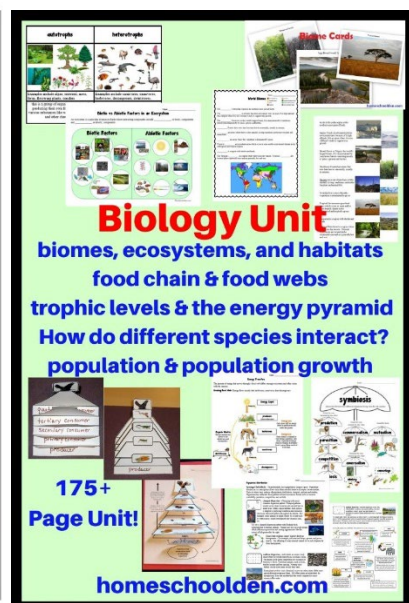

Layers of the Atmosphere

50+ Page Packet

Topics include: Layers of the Atmosphere Packet, Lesson Plans, Worksheets, Activities.

homeschoolden.com

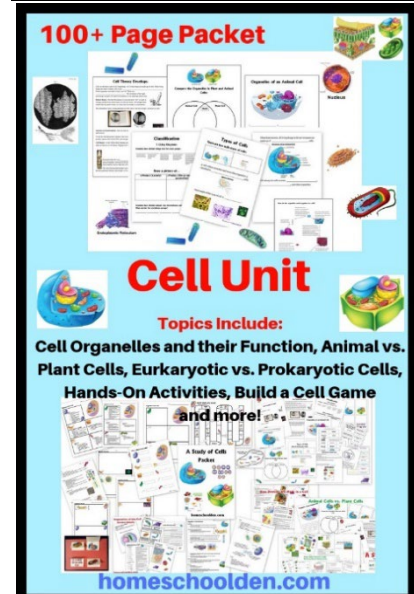

Biology Unit

Topics include: biomes, ecosystems, and habitats, food chain & food webs, trophic levels & the energy pyramid, How do different species interact?, population & population growth.

175+ Page Unit!

homeschoolden.com

100+ Page Packet

Cell Unit

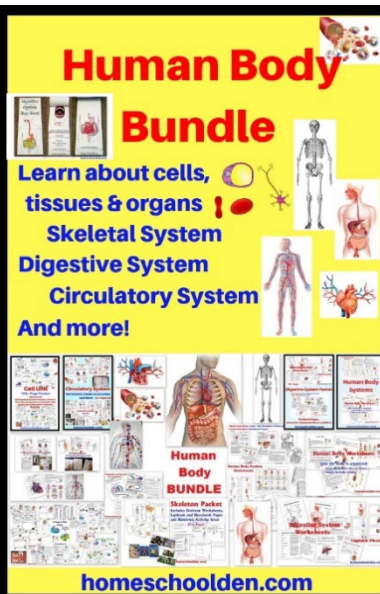

Topics Include: Cell Organelles and their Function, Animal vs. Plant Cells, Eukaryotic vs. Prokaryotic Cells, Hands-On Activities, Build a Cell Game and more!

homeschoolden.com

Human Body Bundle

Learn about cells, tissues & organs!

Skeletal System
Digestive System
Circulatory System
And more!

Human Body BUNDLE

Topics include: Human Body Systems, Lesson Plans, Worksheets, Activities.

homeschoolden.com

Electricity and Circuits Unit

including Squishy Circuits & other Activities

Topics include: Electricity and Circuits Packet, Hands-On Activities.

90-Page Electricity and Circuits Packet

homeschoolden.com

These are just some of the packets we have available! homeschoolden.com/store

History and Mythology of Ancient Egypt

Ancient Egypt Unit

75+ pages

Egyptian Gods & Goddesses

Interactive Notebook

Lapbook Activities

homeschoolden.com

40+ pages of activities

Ancient Greek Gods & Goddesses

- Notebook Pages
- Lapbook
- Board Game
- Writing Pages

**Simple Machines
Unit**

homeschoolden.com

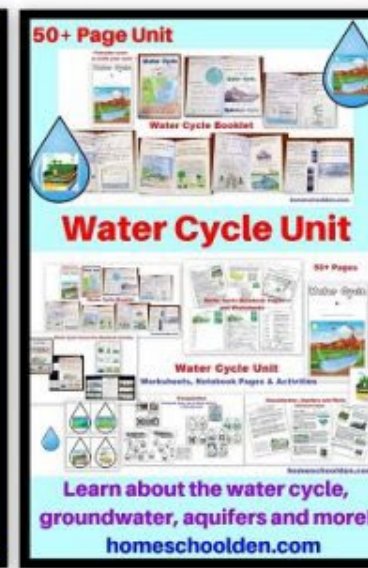

**70-pages
Energy Unit**

Kinetic vs. Potential Energy
Renewable Non-renewable Resources
Fossil Fuel
Carbon Cycle

Energy Packet
Kinetic vs Potential Energy, Converting Energy, Sources of Energy, Non-renewable vs. Renewable Energy, Fossil Fuels and the Carbon Cycle

homeschoolden.com

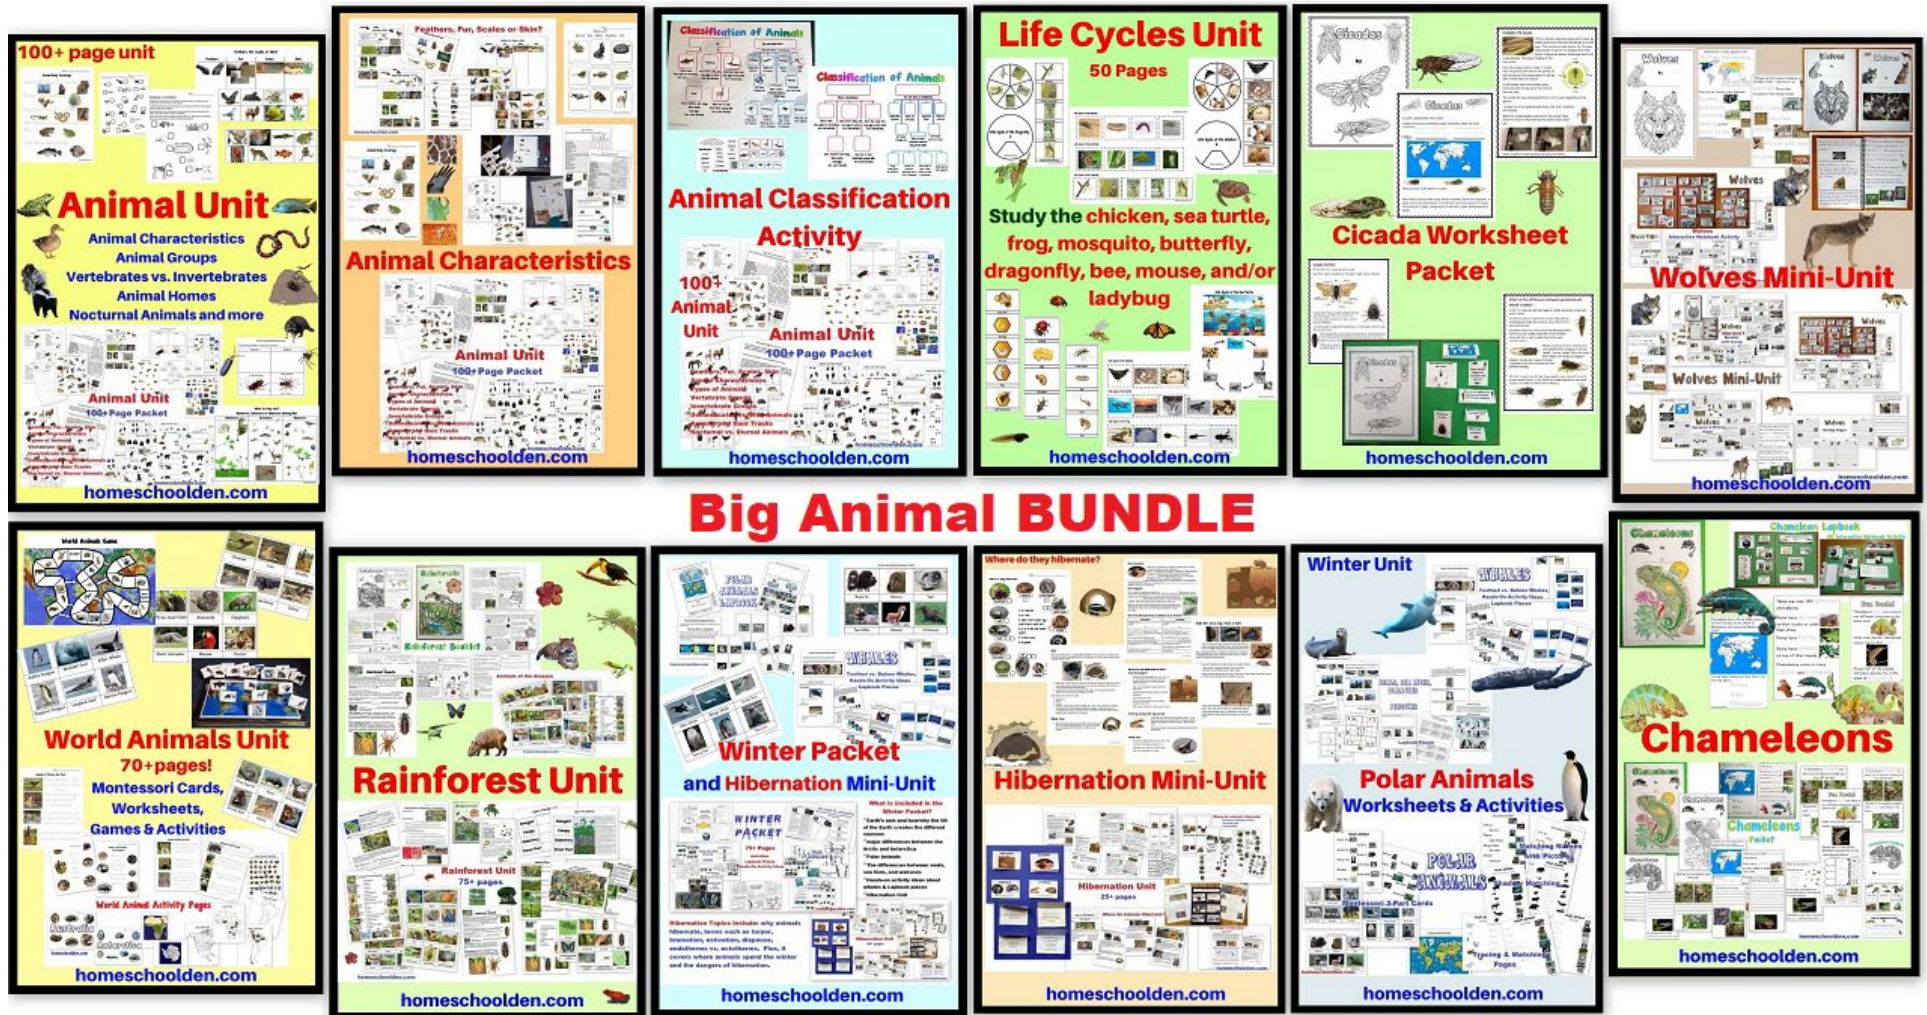

**50+ Page Unit
Water Cycle Unit**

Learn about the water cycle,
groundwater, aquifers and more!

homeschoolden.com

Big Animal BUNDLE

The **Big Animal BUNDLE** includes 8 packets. 1) Animal Unit, 2) World Animals Packet, 3) Rainforest Packet, 4) Life Cycles Packet, 5) Winter Packet – plus several mini units 6) the Cicadas Packet and 7) the Chameleon Packet. 8) the Wolves Mini-Unit.

Nature Studies BUNDLE

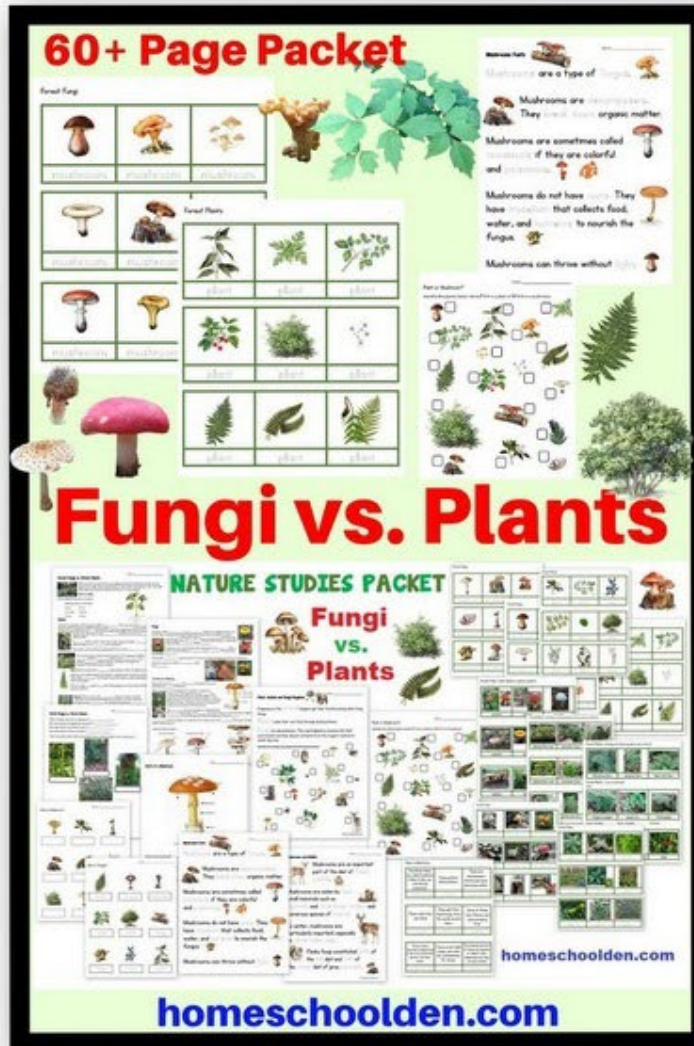

A new and growing bundle!

NATURE STUDIES BUNDLE

This is a **NEW** and **GROWING BUNDLE!**

60+ Page Packet

Fungi vs. Plants

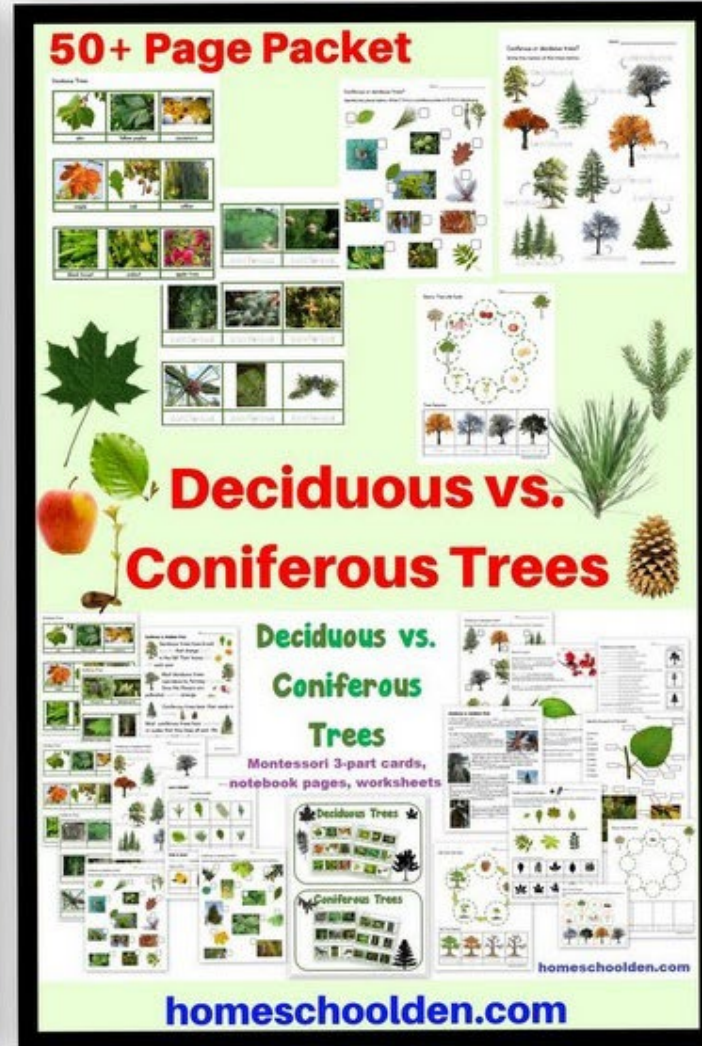

The packet includes sections on 'Fungal Fung', 'Fungal Plants', and 'Fungal Fungi'. It features numerous illustrations of different types of mushrooms and plants, along with text explaining their characteristics. A large red mushroom is prominently displayed in the center. The bottom of the packet shows a preview of the 'NATURE STUDIES PACKET' with various nature-themed cards and worksheets.

homeschoolden.com

50+ Page Packet

Deciduous vs. Coniferous Trees

The packet includes sections on 'Deciduous Trees', 'Coniferous Trees', and 'Deciduous vs. Coniferous Trees'. It features numerous illustrations of different types of trees, along with text explaining their characteristics. A large red apple is prominently displayed in the center. The bottom of the packet shows a preview of the 'NATURE STUDIES PACKET' with various nature-themed cards and worksheets.

homeschoolden.com

Biology BUNDLE

The Biology BUNDLE includes the 1) Biology Unit, 2) Cells Unit, 3) Scientific Classification & Taxonomy Unit, 4) Botany Unit, 5) Ocean Unit, 6) Pathogens Unit (Bacteria, Viruses and more), 7) The Cell Cycle and Mitosis

The collage features nine individual unit covers, each with a black border and the website 'homeschoolden.com' at the bottom. The units are:

- Biology Unit** (175+ Page Unit!): biomes, ecosystems, and habitats; food chain & food webs; trophic levels & the energy pyramid; How do different species interact?; population & population growth.
- Food Chain, Food Web, Symbiosis, Biomes and More! (Biology Packet)** (70 pages): includes a diagram of a food chain and a food web.
- Cell Unit** (100+ Page Packet): Topics include: Cell Organelles and their Function, Animal vs. Plant Cells, Eukaryotic vs. Prokaryotic Cells, Hands-On Activities, Build a Cell Game and more!
- Scientific Classification & Taxonomy Unit** (100+ pages, Ages 9-15): includes a diagram of a classification hierarchy.
- The Cell Cycle and Mitosis** (50-pages): notebook pages, worksheets, activity cards.
- Pathogens Unit** (100+ pages): PATHOGENS PACKET: Protists, Fungi, Parasites/Worms, Bacteria and Viruses. A Biology Unit on Living and Nonliving Pathogens.
- Plant Kingdom** (70+ page unit): Plant Classification & Plant Life Cycles. Life Cycle of Mosses, Ferns, Conifers, Flowering Plants - Angiosperms. Worksheets, Notebook Pages.
- Parts of a Seed Parts of a Flower** (70+ page unit): Worksheets, Notebook Pages.
- Carnivorous Plants Unit** (70+ page unit): Worksheets, Notebook Pages, Interactive Notebook Pieces.
- Ocean Unit** (100+ Pages): includes a diagram of ocean zones.

Biology BUNDLE of 7

Human Body BUNDLE

The Human Body BUNDLE includes 10 PDFs

- A Human Body Systems Packet - an overview of what Human Body Systems are and how they work (in general) from cells, tissues, organs to body systems.
- Skeletal System (bones, joints, tendons, etc.) – This unit has lots of hands-on activity ideas!
- Digestive System – this unit also has a lot of hands on activities!
- Circulatory System – with a really fun hands-on activity to trace the path of blood throughout the body!
- Muscular System – three main types of muscles, voluntary and involuntary muscles, how these three muscle groups work, and the functions of these muscles.
- Nervous System – covers the functions of the central and peripheral nervous systems, the anatomy of the brain, neurons and more
- Reproductive System
- Endocrine System

Science BUNDLES

Let me provide quick links to these pages for you below.

We often try to do 6-8 science units each year in the major science areas. We have these science bundles available, but our packets are also sold separately. Remember that all of our resources are **PDF digital downloads**.

Science BUNDLE links:

- [Earth and physical science,](#)
- [Animal Bundle – Zoology,](#)
- [Nature Studies BUNDLE](#)
- [Biology Bundle of 7 ,](#)
- [Chemistry Bundle,](#)
- [Human Body Bundle](#)

We would rotate through our science units tackling different topics in those areas each year. Then we often came back a few years later and did these same units again (and in more depth). I have three kids (each two years apart) and we did science and history together throughout elementary and middle school.

I would often ask the kids if they remembered a topic. They were good about saying they needed to review it briefly or to go over a unit in more depth again.

Again, I have bundled our materials together and wanted to help you navigate our website so you can see if any of our units are helpful for your family (or the students in your classroom). The [Earth Science Page](#) shows what units are available, similar to the pages I created for the [Big Animal Bundle](#), [Biology Bundle of 7](#) , [Chemistry Bundle](#), [Human Body Bundle](#) and [Spelling Bundle](#). You can purchase various bundles, but **you can also purchase these packets separately**. We tend to be *very* visual, so our worksheets and notebook pages include a lot of images!
